TREK to Student Independence, 37(3), 52

Understanding and Addressing Oppositional and Defiant Classroom Behaviors, 37(6), 32

Using Culturally Responsive Activities to Promote Social Competence and Classroom Community, 37(1), 48

Using Positive Behavioral Support to Manage Avoidance of Academic Tasks, 37(1), 18

Woodshop, Technology, and Reading!, 37(3), 16

Social Skills for School and Community

Systemic Instruction for Children and Youth With Cognitive Delays

Laurence R. Sargent

This book is a guide to teaching necessary skills to students at three levels: elementary, middle, and high school. Skills address getting along with peers, teachers, people in the community, and fellow workers. Each lesson includes objectives, performance criteria, and procedures. Reproducible homework forms are included to reinforce and generalize behavior. 1998, 308 pages. ISBN 0-86586-313-X
